MEMORANDUM FOR ADMIRAL B. R. INMAN

SUBJECT: PD/NSC-55

Thank you for your response on PD/NSC-55. It would be very helpful if you could send a copy of the recommendations mentioned in your memo. There may be some items on which we may wish to communicate our views.

There is a special interest in decompartmentation of certain products of the national collection systems. A great deal of effort has been expended in ensuring the dissemination of these products to the field. In this regard, every effort should be made to decompartment the material to ensure timely and effective distribution to field commanders. We stand ready to be of any assistance in this matter.

Assistant to the President
